4. That this Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, that said order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive him of any rights that he may have under the laws of the State of Connecticut or of the United States.
5. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department of Health Services at any time prior to its being executed by the last signatory.
6. That this Consent Order is effective the first day of the next month after which the seal of the last signatory is fixed to this document.
7. That he has the right to consult with an attorney prior to signing this document.

I, Mark Geer, have read the above Consent Order, and I agree and admit to the terms and allegations set forth therein. I further declare the execution of this Consent Order to be my free act and deed.
